WARRANT FOR ANNUAL TOWN MEETING

York, ss.

To George H. Davis, a constable of the town of Buxton, in the County of York and State of Maine,

GREETINGS:—

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the said Town of Buxton, qualified to vote in Town affairs, to meet in the Town House in said Town of Buxton on Monday, the fourth day of March, A. D., 1929, at ten (10) o'clock in the forenoon, to act on the following articles:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the Town will vote to accept the reports of the several Town Officers.

Art. 2. To see if the Town will vote to elect or have the Selectmen appoint Road Commissioners for the ensuing year and how many.

Art. 4. To choose Town Officers for the ensuing year.

Art. 5. To see how much money the Town will vote to grant and raise for the support of Common Schools for the ensuing year.

Art. 6. To see how much money the Town will vote to grant or raise for the support of Free High School for the ensuing year.

Art. 7. To see how much money the Town will vote to grant and raise for textbooks for the ensuing year.

Art. 8. To see how much money the Town will vote to grant and raise for school supplies for the ensuing year.

Art. 9. To see how much money the Town will vote to grant and raise for repairs of school buildings for the ensuing year.

Art. 10. To see how much money the Town will vote to grant and raise for school flags for the ensuing year.

Art. 11. To see how much money the Town will vote to grant and raise for providing instruction in music in the schools.

Art. 12. To see what sum of money the town will vote to grant and raise to pay Buxton's share of the salary of the Superintendant of Schools.

Art. 13. To see if the Town will vote to grant and raise the sum of Seventeen Hundred eighty-five Dollars (1,785.00) to pay the sums granted by loan at the Special Town Meetings held in 1928, said money having been granted for Duck Pond School House Repairs; Reservoirs; and Duck Pond School Lot.

Art. 14. To see if the Town will vote to grant and raise the sum of Two Hundred Dollars (200.00) granted at a Special Town Meeting held in 1928, for a hydrant at Bar Mills.

Art. 15. To see how much money the Town will vote to grant and raise for Miscellaneous expenses for the ensuing year.

Art. 16. To see how much money the Town will vote to grant and raise for Contingent expenses for the ensuing year.

Art. 17. To see what action the Town will vote to take in regard to opening the Town Farm.

Art. 18. To see how much money the Town will vote to grant and raise for the support of poor for the ensuing year.

Art. 19. To see how much money the Town will vote to grant and raise for repairs of highways for the ensuing year.

Art. 20. To see how much money the Town will vote to grant and raise for the support of bridges and culverts for the ensuing year.

Art. 21. To see how much money the Town will vote to grant and raise for cutting bushes for the ensuing year.

Art. 22. To see if the Town will vote Yes or No on the question of appropriating and raising money necessary to entitle the Town to State Aid as provided in Sec. 19, Chap. 25, Revised Statutes of 1916.

Art. 23. To see if the Town will vote to appropriate and raise the sum of Four Thousand Three Hundred Twenty Dollars (4,320.00) for the improvement of State Aid road as outlined in the report of the State Highway Commission in addition to the amount regularly raised for the care of ways, highways, and bridges, the above amount being the maximum which the Town is allowed to raise under the provisions of Sec. 18, Chap. 25 of the Revised Statutes of 1916; or under the provisions of Sec. 21, Chap. 25, Revised Statutes amended by Chap. 258 Public Laws of 1917.

Art. 24. To see if the Town will vote to grant and raise money and what sum for the maintenance of State Aid highways during the year within the limits of the Town under the provisions of Sec. 17, Chap. 25, of the Revised Statutes of 1916.

Art. 25. To see what sum of money the Town will vote to grant and raise for patrolling and maintaining State Aid highways for the ensuing year.

Art. 26 To see what sum of money, if any, the Town will vote to grant and raise in connection with the money received from the State, for aid Third Class Highways, as laid out by State Highway Commissioners.

Art. 27. To see how much money the Town will vote to grant and raise for Snow Removal for the winter 1929 and 1930.

Art. 28. To see what per cent the Town will vote to pay the Collector of Taxes for the taxes collected for the ensuing year.

Art. 29. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow a sum of money not exceeding \$10,000.00, to be expended in the construction of State Aid road, between Bar Mills and West Buxton in anticipation of aid by the State in 1930, under Section 21, Chapter 25, Revised statute. (Petition of H. H. Locke and eleven others).

Art. 30. To see if the Town will vote to repair the road leading from the State road to the Gorham line, past the farm of Irving H. Gordon and others and raise the sum of Five Hundred Dollars (\$500.00) to pay for the same. (Petition of A. D. Pierce and sixteen others).

Art. 34. To see if the Town will grant and raise a sum of money to be expended on the highway leading from Scarboro Corrier "So Called" to the State road at Duck Pond "So Called." (Petition of Herbert L. Milliken and fourteen others).

Art. 32. To see what sum of money the Town will vote to grant and raise for Town House repairs.

Art. 33. To see if the Town will vote to empower the Selectmen to sell the farming tools left at the Town Farm.

Art. 34. To see if the inhabitants will vote to rebuild the sidewalk from the Railroad Station to the Square or Bridge across the river (Main Street in Bar Mills Village so called which the said Town destroyed by raising the road bed several years ago when the road was built over.

Art. 35. To see if the inhabitants will vote to raise and grant the sum of \$200.00 to pay for building said sidewalk. (Petition of Edwin A. Palmer and twenty-nine others).

Art. 36. To see if the Town will vote to grant and raise the sum of One Hundred Dollars (\$100.00) to rebuild the sidewalk at West Buxton which was damaged by building the third class road in 1928.

Art. 37. To see what sum of money, if any, the Town will vote to grant and raise for the purchasing of Books for the Berry Library. (State will give one-half amount raised by the Town). (Petition of Milton V. MsAllister and seventeen others).

Art. 38. To see if the Town will vote to grant and raise the sum of Fifty Dollars for the purpose of buying books for the West Buxton Publis Library. (Petition of E. N. Libby and twenty-four others).

Art. 39. To see if the Town will vote to grant and raise the sum of Five Hundred Dollars (\$500.00) the same to be used either for a school clinic or a free bed at Buxton and Hollis Hospital. (Petition of George M. Sawyer and eleven others).

Art. 40. To see if the Town will vote to grant and raise the sum of One Hundred Fifty Dollars (\$150.00) to be used for the purpose of paying insurance policies against accident and death for the members of the Bar Mills Fire Department. (Petition of Harry E. Wallace and nine others).

Art. 41. To see if the Town will vote to install and maintain three street lights, in West Buxton Village, one on Portland Street, near residence of Harry Bird, one on Prince Street, near the residence of E. N. Libby and one near the residence of George H. Marsh. (Petition of George H. Marsh and twelve others).

Art. 42. To see how much money the Town will vote to grant and raise for support of electric lights in Town of Buxton.

Art. 43. To see how much money the Town will vote to grant and raise to pay interest on bonds and bequests and insurance on school buildings for the ensuing year.

Art. 44. To see if the Town will vote to empower the Selectmen and Treasurer to hire money to meet Town expenses until taxes are collected, if necessary to do so, and grant and raise money to pay interest on same.

Art. 45. To see how much money the Town will vote to grant and raise to apply to the sinking fund already established to take care of bonds issued.

Art. 46. To see how much money the Town will vote to grant and raise for the Harold F. Hutchinson Post 130, American Legion, for Memorial Day.

Art. 47. To see if the Town will vote to grant and raise the sum of Fifty Dollars (\$50.00) for the Boys' and Girls' Agricultural Clubs.

Art. 48. To see if the Town will vote to authorize the Selectmen to sell and convey any or all property acquired by tax sale.

Art. 49. To see how much money the town will vote to grant and raise for upkeep of Fire Engines for the ensuing year.

Art. 50. To see if the Town will vote to authorize the Selectmen to transfer the unexpended balances on the following accounts: \$59.50 on the Town Clerk's Safe Account, and \$1.34 on White Pine Blister Rust Account to Contingent Account; and \$25.00 on Dearborn Hill School House Lot Account; and \$106.24 on Bar Mills School Building—Heating System Account to School Repairs Account.

Art. 51. To see what sum of money the Town will vote to raise for a public health nurse.

The Selectmen give notice that they will be in session at the Selectmen's Office on Saturday, March 2, from nine o'clock A.M., to four o'clock P.M., for the purpose of correcting list of voters.

Fail not to make due service of this warrant, and return your doings thereon at the time and place of meeting.

Given under our hands this thirteenth day of February, A. D., 1929.

FRED W. McCORRISON,

FRED W. SMITH.

SEWELL F. SMITH,

Selectmen of Buxton.

For Support of Poor	2,000.00
For Town House repairs	800.00

BERRY LIBRARY

The members of the Committee selected by the Town to build and furnish the Berry Memorial Library, Frank Weymonth, Sewall F. Smith and Leonard C. Towle entered into their duties with a great deal of enthusiasm, giving freely of their time and making many outside trips, all at no expense to the Town. they turn over to the citizens as a result of their work, a building that all may be proud to own, of pleasing exterior and harmonious furnishings.

A fund of good size has been reserved to care for maintenance.

The thanks of the citizens should be extended to this Committee, who have shown so much public spirit and interest in the welfare of their Town.

Respectfully submitted,

FRED W. McCORRISON

FRED W. SMITH

SEWELL F. SMITH

Selectmen of Buxton.

AUDITOR'S REPORT

I have examined the books and accounts of the Selectmen, Treasurer and Collector of the Town of Buxton, for the year ending Feb. 6, 1929, and to the best of my knowledge, they are correct as shown by the foregoing records and statements.

— CHARLES H. WEBSTER,
Auditor.

REPORT OF SCHOOL CLINIC AT BUXTON AND HOLLIS HOSPITAL

We have examined and given advice to two hundred and twenty-six (226) students in clinic work. We have operated upon thirty-four (34) tonsil and adenoid cases and fourteen (14) other cases, including two (2) major operations. I have personally treated and furnished medicine for twenty-seven (27) students in way of clinic work. We feel that the clinic has been a success and should be continued.

We feel very grateful for the great help and actual assistance of brother physicians, Dr. H. A. Owen, Dr. P. E. Abbott, and Dr. W. H. Baker, who have shown interest and been glad to help. We who have operated in clinic work fully appreciate the interest and help given by Mrs. Dexheimer at the hospital. Her tact with children and practical experience with ether and anaesthetics has made the actual work easier and more successful.

Respectfully submitted,

A. G. WILEY, M. D.,

Buxton and Hollis Hospitals.

REPORT OF THE FIRE WARD

To the Municipal Officers and Citizens of Buxton:—

I herewith submit my report as Fire Ward for the year ending February 11, 1929.

The number of fires in the Town for the past year six (6), the dates of their occurrences as follows:

1928

March 18. Dwelling house of Charles Jose. Estimated loss \$40.00. Cause of fire, over heated chimney. Covered by insurance.

March 18. Dwelling house of Emery C. Stevens. Estimated loss \$325.00. Cause of fire, over heated chimney. Covered by insurance.

April 4. Dwelling house of Harris Elwell. Estimated loss \$300.00. Probably caused by spark from grass fire. No insurance.

May 7. Bar Mills Grammar School. Estimated loss \$1,200.00. Probably caused by a spark from chimney. Covered by insurance.

August 23. Dwelling house of George S. Flood. Estimated loss \$4,000.00. Cause of fire unknown. Partially covered by insurance.

1929

January 4. Automobile truck of C. H. Hanson Co., Portland, Maine. Estimated loss \$1,500.00. Probably caused by overflowing of gas tank. Partially covered by insurance.

Total estimated loss by fire in the Town of Buxton for the past year \$7,365.00.

The Bar Mills Fire Department has answered 34 alarms in the past year, there being 11 box alarms, 21 still alarms and 2 false alarms.

It is hoped by the Fire Department that the voters will see fit to purchase a Hose and Chemical combination at some future date. Reasons for this are

that we need about 700 feet of Hose to add to our present amount of 1,300 feet. Also that our pumper is overloader as it stands in the station without a man on it and only 1,000 feet of hose.

The reservoir built at Groveville is a great protection there as there is water enough to pump 300 gallons a minute for 2 hours. This being supply enough for a very large fire. There remains one to be built at Buxton Center and the hydrant to be installed at Bar Mills.

Respectfully submitted,

LAWRENCE A. SAWYER,

Fire Ward.

REPORT OF DEPUTY FOREST FIRE WARDEN

To the Municipal Officers and Citizens of Buxton:—

I herewith submit my report for the year ending February 11, 1929.

During the past year I have issued fifty-nine (59) permits to burn brush and slash.

There has been no forest fires burning over one acre or more in the past year.

Respectfully submitted,

LAWRENCE A. SAWYER,

Deputy Forest Fire Warden.

MARRIAGES

1928

- Mar. 28 At Buxton, by Rev. Milton F. McAllister, Stuart D. Nichols and Elizabeth G. Elden, both of Buxton.
Apr. 7 At Buxton, by R. Blanche Dean, Notary Public, William Hubbard and Teresa Vera Knox, both of Buxton.
May 10 At Buxton, By Rev. Milton V. McAllister, Waldo Gilbert Emmons of Hollis and Maxime Dunn of Buxton.
May 24 At Buxton, by Rev. F. E. Freese, Tillman G. Parsons and Ethel Annie Andrews, both of Buxton.
June 12 At Howland, by Rev. John E. Besant, Rev. Forest E. Freese of Buxton and Flora T. McDuff of Passadumkeag.
June 16 At Buxton, by Rev. F. E. Freese, Harry Howard Cousins of Saco and Alice Verona Carl of Buxton.

- Aug. 13 At Buxton, by Rev. Milton V. McAllister,
Solon A. Stigman of Gorham and Alice
Bowser of Woburn, Mass.
- Sept. 1 At Buxton, by Rev. F. E. Freese, William
Eaton Whittaker of Portland and Kath-
erine Morrison Lord of Buxton.
- Sept. 1 At Biddeford, by Rev. Leon E. Grubaugh,
Everett Howard Phinney of Buxton and
Bernice M. Brooks of Brockton.
- Sept. 20 At Buxton, by Rev. Milton F. McAllister,
Edward Boynton Hanson and Edna
Alice Pease, both of Buxton.
- Oct. 6 At Buxton, by Rev. Milton V. McAllister,
William Bond Foye and Bernice Marion
Hayes, both of Buxton.
- Oct. 20 At Buxton, by Rev. John E. Besant, Ira Van
Clay and Glenys A. Burgess, both of
Buxton.
- Oct. 24 At Buxton, by Rev. Milton V. McAllister,
Phillip Arthur Smith of Buxton and
Stella M. Hanson of Hollis.
- Oct. 27 At Westbrook, by Rev. Harry E. Townsend,
Roland L. Woodbrey of Standish and
Madeline Eldena Haley of Buxton.
- Nov. 4 At Buxton, by Rev. F. E. Freese, Keith D.
Knowlton and Mildred A. Hussey, both
of Dover-Foxcroft.
- Nov. 8 At Gorham, by Rev. W. Stanley Carne, Per-
ley Alonzo Harmon and Velma Holt,
both of Buxton.
- Nov. 24 At Buxton, by Rev. Milton V. McAllister, Le-
roy A. Berry of Buxton and Evelyn E.
Whitten of Saco.
- Dec. 22 At Auburn, by Rev. A. E. Kingsley, Carl Mil-
ton Harmon of Buxton and Helen Esther
Canham of Auburn.

GRACE R. SANDS,

Town Clerk.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of the Town of Buxton, the annual report is herewith submitted:—

We have been occupied to a large extent during the past five years, with finishing the standardization and re-construction of our school buildings according to State requirements and modern standards. We have been under the necessity of securing increased appropriations for completing this re-construction. The work has been done in a very satisfactory manner, and we are now able to devote more time and effort to the other worthwhile objectives in education.

Expenditures in education are justified on the bases of the usefulness of our schools to society and to the individual. The real efficiency of our educational system depends upon practical and useful subject matter in the course of study; selection of competent teachers; and supplying all schools with workable and up-to-date material and equipment to fit the individual abilities of each grade. The advantages of taking a certain subject should be carefully considered before placing this subject in the curriculum.

Within recent years we have had a rapid increase, in the number of those who have been taking the teacher training courses in Summer Schools, and in the number of Normal School graduates available. This training furnishes an educational background that is a prerequisite for successful teaching.

REPAIRS

Bar Mills School Building

For a number of years the heating system in the Bar Mills School Building has been very unsatisfactory. It has been impossible to heat all the rooms on cold days. This condition was due to the fact that the boiler was not of sufficient size to heat the building in an efficient manner; and the way in which the system was installed has resulted in a waste of fuel. And this year it was found that one of the section of the boiler was leaking. For these reasons it seemed necessary to purchase a new boiler. A United States "Capitol" boiler was purchased of The Fels Co. This sectional boiler was of larger heating capacity than the old boiler, and has given excellent satisfaction.

Owing to the construction of the building some changes seemed necessary to help in heating the building. Wall board was put up behind the blackboards in the Intermediate room. The windows in this room have been weather stripped with the Mohawk weather stripping by the Vicerson Co. The Assembly room in the High School building was weather stripped at the same time. These changes will help much in conserving the heat in this room. As the result of making these changes and the new heating system the building is now easily kept at the proper temperature even in the coldest weather. Proper heating of buildings is of the utmost importance in safeguarding the health of the children.

The value of the efficient fire department and the new pumper were clearly demonstrated in the instance of the fire in the Bar Mills building. The

fine work of the fire department undoubtedly saved this large building. The burning of this building would have resulted in large financial loss for the Town.

It seemed wise to cover the roof with asphalt shingles for protection against sparks from the chimney. The contract for this work was given the Hulse Roofing Co., of Portland. The height of the chimney was increased to avoid any hazard from this source and to help with the heating by securing a better draft from the chimney.

It was impossible to heat the Wm. C. Webster School building at Groveville in cold weather, with a small box stove, owing to the size of the building and the high ceiling. With anunjacketed stove it is difficult to keep a school room at an even temperature. A large jacketed heater was purchased which distributes the heat more uniformly. The new heater is a very satisfactory improvement in securing a properly heated and comfortable school room.

STANDARDIZATION

of

Duck Pond School Building

We had not been required to standardize the Duck Pond School building while the attendance was small, and a consolidation with this school and Bar Mills was considered. So this building had been left in a poor condition of repair for a number of years; and was the last building to be standardized. However in view of the increased enrollment the reconstruction of the old building seemed desirable to all

■

concerned. Additional land was purchased for the purpose of securing a site which would provide greater safety for the children from automobiles on the State Road; and provide a playground of suitable size—a necessity for each school. The building was removed back on the lot away from the State Road to a more attractive location. The view of the school yard to approaching automobiles is no longer obstructed.

The building was found to be in such a delapidated condition that complete re-modeling was necessary. It was necessary to put new sills under the building and change the roof over. The old style roof was unsightly and out of proportion with the rest of the building, and new rafters was needed. A substantial concrete foundation was built under the building. Large new windows were put in the school room with light coming from one side and from the left of the pupils. Cloak-rooms were secured by extending a partition lengthwise through the building. The school room obtained in this way was not of the same width as the standard room, and for this reason it was not necessary to raise the ceiling in order to secure correct lighting conditions. Ample space is available however for a class room and this room with a low ceiling is easily heated. Two excellent cloak rooms have been secured by this plan. The large double chimney was built with a conduit which serves as a means of ventilating the building.

We have found from experience that plastered surfaces have not proved durable in school rooms. The new steel walls and ceilings make an improvement in durability and present a much more satisfactory appearance. The work done in painting the walls and ceiling and varnishing the woodwork was

very satisfactory in the way of securing a correct light and avoiding a glaring light.

Steel ceilings have proved so satisfactory that it would seem desirable another year, to complete the work of putting steel walls and ceilings in the class rooms and hall-ways of the Bar Mills building for a more permanent repair than could be made by plastering. The Primary room already has been made much more attractive in appearance by putting up steel walls and ceilings.

We appreciate the fact that our teachers are giving their best endeavors to the work, and fully understand the responsibilities of their profession. And we appreciate the support of our schools by the citizens which has maintained our schools at their present standard and enable us to secure more effective results.

Respectfully submitted,

GEORGE E. JACK.

MILTON V. McALLISTER,

Superintending School Committee,

of Buxton.

**REPORT OF THE PRINCIPAL OF SAMUEL D.
HANSON HIGH SCHOOL**

To the Superintendent of Schools, School Committee, and Citizens of Buxton, I herewith submit my first report:—

School opened September 10th, with a new Principal and the same assistants. Sixty, students, thirty boys and thirty girls, were registered for the Fall Term and the average attendance was fifty-four. In looking over the records of the School, I find it has been a number of years since registration or average attendance has been as large. Attendance for the Winter Term, is now badly broken up by colds and measles. I trust the peak of absence is passing and that we shall soon have all students with us again. Nineteen students were not absent for the year until sickness began.

The courses taught this year are much the same as those of last year. I hope we may make some changes for another year that will be more helpful to the boys and girls not attending school after they leave us. We have put most of our strength into school work proper for the first half year but shall hope to do more during the second half year with school paper, play, speaking contest, and other activities worth while. The boys have played twelve games of basketball thus far this year with schools for the most part larger than our own and have won eight of them. The girls have not done as well. I deeply appreciate the use of the Town Hall for the basketball and the exceedingly co-operative spirit of the Selectmen. I am sorry we are without a baseball field at present and consider it the most impera-

tive physical need of the High School. I trust we shall be able in the near future to work out a satisfactory solution of the problem since I am assured both the Town and Alumni have our need in mind and are anxious to do all that is possible.

The electric lights placed in the High School by the Alumni are much appreciated by teachers and students. I do not know how we could get on without them, both from the stand point of convenience and safety.

In closing, I sincerely wish to thank Mr. Jack for his helpful suggestions, the School Board, Teachers, and Students for their co-operation; and the good people of Buxton for their very many kindnesses to Mrs. Verrill and the children.

Respectfully submitted,

ELMER R. VERRILL.

NEW Tillyer Lenses

Accurate to the Very Edge

With the new Tillyer Lenses you can see accurately through the edges of your glasses as through the center.

Let us explain their advantages, also show you the latest in Frames and Mountings, including the Crossbar Frames in Zylonite; also in White Gold, Plain or Engraved.
